# Glass and Mirrors

Since 1955, Avalon Glass and Mirror has been on the cutting edge of mirror manufacturing. Quick to adapt to a changing industry and incorporate new technology, our over 100,000 square foot facility can handle projects of any scale, while our state-of-the-art manufacturing capabilities ensure your mirrors are of the very highest quality. Utilizing high-end tools like German-made Klöpper equipment on our production line and staffed by experienced professionals, Avalon has led the way in both quality and innovation for over 60 years. Avalon is proud to serve commercial and residential glaziers, cabinet manufacturers, millworks companies, and OEM manufacturers across the United States and in the Hawaiian Islands.
